Acknowledgment of Responsibility Regarding Students Exhibiting Illness

On March 11, 2020, the World Health Organization declared the novel coronavirus, COVID-19, a pandemic. COVID-19 is highly contagious and known to spread mainly from person-to-person contact. As a result, federal, state, and local governments, along with federal and state health agencies, recommend social distancing and have, in many locations, prohibited the congregation of groups of people over a specified number.

Further, there are many contagious illnesses that children and adults may be exposed to, such as the common cold, strep throat, pink eye, influenza, and now COVID-19. Moreover, there is known exposure to such illnesses in public places such as schools, grocery stores, and many other public locations.

Due to the risks associated with COVID-19 and other contagious illnesses, Buffalo Christian Academy (hereinafter "BCA") will not allow students attend school if they are sick or exhibiting symptoms of illness. (fever, cough, shortness of breath, sore throat, etc.)

By signing below, you acknowledge that you will not send your student(s) to BCA if they are sick or exhibiting symptoms of illness. Additionally, you acknowledge that if you are notified by BCA that you have a student(s) who becomes ill, exhibits symptoms of illness, or has a fever while attending BCA, you will immediately pick up your student(s) and keep them home until they are no longer sick or exhibiting symptoms of illness for a minimum of 24 hours or longer if necessary. Further, by signing below, you authorize BCA staff to take your student's temperature to establish if they have a fever, and/or to determine if your student(s) is exhibiting symptoms of illness.
